Re: *Lujan et al. v. Cabana Mgmt., Inc. et al.*, 10-cv-00755 (ILG) (RLM)

Dear Judge Mann:

This firm is legal counsel to the Plaintiff and a collective class in the above-referenced wage and hour action. Despite many hours of intense good faith negotiations, the parties did not reach an agreement to settle this action.

The parties have scheduled a conference call this coming Monday to discuss a briefing schedule on the existing motions. The schedule will be reduced to a proposed order and submitted to your attention by close of business on Monday.

Please contact the undersigned if you wish to confer with the parties, and I will conference in Mr. Weiner. Otherwise, thank you for your attention to this matter.

Respectfully submitted,

_____/s/_____
